## EDUCATION

University of the Arts London | 2021 - 2024

BA (Hons) Interior and Spatial Design - First Class Honours

- Conducted in-depth trend and consumer research to support project concepts and product direction.
- Created visual range plans and mood boards demonstrating strong commercial awareness and aesthetic accuracy.
- Developed strong proficiency in software tools, including Adobe Creative Suite and Excel, for analysis and presentation.

## PROFESSIONAL EXPERIENCE

Marketing and Design Assistant | Sep 2024 - Nov 2025

FOCUS Art Fair

- Designed 3D layout concepts and display plans for exhibitors, enhancing visual flow and overall visitor experience.
- Collaborated with the design and events team to produce high-quality presentations, promotional materials, and visuals for digital content under tight deadlines.
- Analyzed audience engagement data to help optimise promotional strategies and improve event visibility.

Merchandising Assistant | Oct 2024

Affordable Art Fair

- Organized and replenished sales products, ensuring artworks were displayed clearly and attractively throughout the fair.
- Adjusted artwork layouts and lighting to optimise visual impact, improve customer flow, and support gallery sales.
- Communicated with galleries and visitors, providing product information and assisting with sales to deliver a smooth buying experience.

Sales & Studio Staff | Sep 2023 - Feb 2024

JS Holdings Group & Life4 Cuts

- Organized store products and assisted visitors with purchases, providing brand information and ensuring a smooth customer experience.
- Tracked daily sales performance and visitor numbers, helping the team monitor demand, product popularity, and overall store activity.

Interior Design Intern | June 2023 - Aug 2023

J Advisory

- Collaborated with the 3D design consulting team to create mood boards, sketches, and visual concepts for a large-scale hotel remodelling project in Incheon, South Korea.
- Conducted on-site recording and analysis, contributing practical ideas and design solutions to support the project's development.
- Strengthened communication, teamwork, and presentation skills by working closely with senior designers and contributing to client-ready materials.
